

EZ-Expat

Simply and Accurately Calculate Expatriate Withholdings!

One of the most difficult parts of having expatriate employees scattered throughout the world is ensuring that state and federal taxes are withheld correctly. Time consuming manual calculations can slow down your payroll process to a crawl. EZ-Expat is the answer. EZ-Expat automatically calculates the state and federal withholdings for each of your expatriate employees.

EZ-Expat saves you time by:

- ◆ Automatically calculating taxable wages and withholdings for all employees that have been designated as expatriates
- ◆ Automatically updating your tax codes in Abra Suite to include expatriate codes for both federal and state
- ◆ Updating all your reports to show expatriate status for all such employees. Your time is valuable...why waste it recreating files from information that is already there? Say goodbye to manual file preparation and let EZ-Expat do the hard work for you and give you with the freedom and speed you need to efficiently process your payroll

Your time is valuable. Why waste it manually calculating tax withholdings? Say goodbye to the headache that used to be expatriate tax calculations and let EZ-Expat do the hard work for you and provide you with the freedom and speed you need to efficiently process your payroll.

How do I calculate the special taxes for expatriate employees living abroad?

EZ-Expat provides the solution by:

- ◆ Accurately calculating all the state and federal withholdings for expatriate employees
- ◆ Automatically updating your current system to include information from expatriate employees
- ◆ Producing comprehensive reports to show each individual employee's expatriate status
- ◆ Integrating completely into Abra Payroll
